Instructions for Line Length, Week 1

Create a subfolder in your lab folder. Label it "Line Length"

Download linelength_3.py to this subfolder

Open linelength_3.py, using PsychoPy. {**inclass**} Ask your instructor if you've forgotten how to open an exercise in PsychoPy. {**online**} See the video RunningAnExerciseInPsychoPy if you've forgotten how to open an exercise in PsychoPy

Run the exercise 3 times with the following parameters:

Standard	N trials	Session number	Participant	Mueller-Lyer
200	30	1	*your initials*	N
400	30	2	*your initials*	N
100	30	3	*your initials*	N
